AUTHORITY

Terms & Conditions Apply.

D028

Approval Conditions Manufacturing Facilities (Foreign)

The conditions which apply are as follows:

1. Only product(s) manufactured in the GMP-certified facility can be imported and distributed on the Ghanaian market.
2. Importation and distribution of the product(s) on the Ghanaian market ceases after the expiration of the GMP certificate.
3. Any addition or modification of the physical structure or installation of equipment in the GMP-certified facility may be made, but only after prior notification to the FDA and approval by the FDA where required.
4. The Authority shall cancel, suspend, or withdraw the GMP certificate if:
 - (a) The facility contravenes GMP requirements.
 - (b) Any of the conditions under which the licence was issued no longer exist.
 - (c) The information on which the approval was given is later found to be false.

Please note that it is your responsibility to apply for the renewal of the manufacturing licence in due time (not later than three (3) months before the expiry date without any prompting from the Authority).
